There seems to be no reason to multiply Peons by supplying clothing. Some decent peons may be taken on loan if well clothed orderlies are absolutely necessary. In the Clothing order some Officers like the Mechanical & Sewers Disallowed clothing & the Municipal Officer are one inch.

Submitted to His Highness.

The Muzrai Superintendent solicits sanction to the supply of clothing at the cost of Government to certain menial servants of his office.

2. Under the revised rules issued in Government Order No.G.6787-819/G.M.36-07-39 dated 16th May 1908 regarding the supply of clothing to the menials of Government offices, the peons of the late Muzrai Secretariat were entitled to the issue of light clothing annually. This office was lately split up into the Muzrai Superintendent's Office and the Muzrai Branch of the General and Revenue Secretariat and the menials attached thereto were distributed between the two offices.

3. The Muzrai Superintendent now represents that the order of 16th May 1908 does not authorize the issue of clothing to the menials of his office and requests that sanction may be accorded to the issue of clothing to his peons at a cost of Rs. 85/- per annum. He also states that in anticipation of sanction he has ordered the issue of white clothing to his peons at a cost of Rs. 61-12-0 to be met from the savings out of the allotment for contingencies of his Depart-

ment

fm 2.117-10 (5)

Department provided in the last year's Budget.

4. The Financial Secretary is not in favour of the proposal and he sees no reason to multiply cases of supply of clothing. He states that some Secretariat peons may be taken on tour if well-clothed Orderlies are absolutely necessary and that the Muzrai Superintendent's Office can be compared with offices like that of the Agricultural Chemist etc., which do not enjoy the privilege.

5. The Second Councillor is of opinion, and I agree with him, that the issue of clothing asked for may be sanctioned. A draft order sanctioning the clothing was accordingly put up and sent to the Financial Branch for concurrence, under para 8 of the Government Order No.Fl.8328-33, dated the 6th May 1907. The Financial Secretary respectfully adheres to the opinion already expressed by him.

I submit the case for His Highness' orders. As the Muzrai Superintendent is often called upon to attend ceremonies and festivals in temples to which very large sections of the public resort, it seems to me but reasonable that the peons in attendance on him should be properly clad and in this respect readily distinguishable from the rest of the congregation.

No. 1375

Office of the Mamri Superintendent in Mysore.

Dated Bangalore, 19th June 1911.

To

A. Narasinga Iyer Esquire, B. A.,

Mamri Superintendent in Mysore.

The O.S., Secretary to the Government in Miscellaneous
the Maharaja of Mysore, Revenue and Income
Department, Bangalore.

Sir,

I have the honour to state that under Orders conveyed in [illegible] No. S. 0/7-19/11 M. M. [illegible] dated 14th [illegible], the establishment of the late Mamri Secretariat were entitled to clothing and the cost was duly provided therefor. As this Office was split up by bifurcation into that of Mamri Superintendent's Office and Mamri Branch of the General and Revenue Secretariat and the menials attached thereto distributed between the two Offices, no provision is being made in the Mamri Budget on account of supply of clothing to the menials of this Office for want of Government Orders authorising the issue of clothing.

2. A sum of Rs. 100/- was entered in the Provisional Budget estimates for 1911-12 on this account but it was since been ascertained that it has been disallowed for the reason alluded to above.

3. The menial establishment of this Office consists of the following :-

1 Daffadar

1 Daffadarnee

4 Peons

1 Lascar

and 1 Masalchi

(2)

As per instructions contained in the Government Order of the 16th May 1916, the Daftarband and Masalchi are not entitled to any clothing. Provision has now to be made for the supply of ~~el~~ clothing to the rest, Viz., 1 Daffedar, 4 Peons and 1 Lascar. Calculating at the scale fixed in the above order, referred to above, a total allotment of Rs. 65/- (including the cost of belts once in 5 years) a year for expenditure under this item will answer all the requirements of my Office.

4. Under the circumstances explained above and in view of the fact that I shall have to be constantly touring, I beg that sanction of Government may kindly be obtained early before the passing of the Final Budget for 1911-12 to the proposals contained in Para 3 supra.

5. As there has been a savings out of allotment for contingencies provided in this year's Budget, I have in anticipation of sanction ordered the issue of white clothing to the peons of my Office at a total cost of Rs. ~~20/-~~ 61-12-0.

I have the honor to be,

Sir,

Your most obedient servant,

Tahsildar Superintendent.
